

APEX Institute of Technology & Management

Join APEX and be a part of the excitement in engineering and management education

About APEX

Apex Institute of Technology & Management is situated near Pahala, Bhubaneswar on Bhubaneswar-Cuttack NH 5 with a sprawling campus spread across 15 acres of land. The campus is just 15 minutes drive from temple city of Bhubaneswar (the Capital of Orissa) and is equally close to Cuttack.

About Founder Promoter

Our founder promoter, Prof Sangram Mudali, received his Bachelor of Technology from IIT, Kanpur in 1985 and has an M.S degree from the University of Houston, USA. He has received the J.F.K. Lincoln Award based on his research during his Master of Science program. With 15 years of experience, Prof. Sangram Mudali is a leading icon in the field of technical education in Orissa. His vision is to make APEX a premier research-led-teaching institution.

About Principal

Dr. Ramesh Chandra Das is a B.Tech. (NIT, Rourkela), M.Tech. (IIT, Mumbai) and Ph.D. (IIT, Mumbai). He has over 30 years of vast experience in Research & Development at IIT, Mumbai and Tata Research Laboratory, Jamshedpur. His research interest is in Material Science & NanoTechnology.

Mrs. Geetika Mudali, Trustee

Mrs. Geetika Mudali, Trustee, has a B.E from Osmania University and M.S from New Jersey Institute of Technology (NJIT), USA. Over 15 years experience in Academics and Placement. Her research interest is in MIS and Data Mining.

Approved Intake for B.Tech. Program

B.Tech. (Electronics & Communication Engineering)	120 Seats
B.Tech. (Electrical & Electronics Engineering)	120 Seats
B.Tech (Electronics & Instrumentation Engineering)	60 Seats
B.Tech. (Computer Science & Engineering)	60 Seats
B.Tech. (Information Technology)	60 Seats
B.Tech. (Mechanical Engineering)	60 Seats*

Approved Intake in MBA Program

MBA (Master of Business Administration)	60 Seats
---	----------

APEX is the flagship Institute of S.J. Charitable Trust established by Shri. Surendra Mudali & Mrs. Janaki Mudali

B.Tech @ Apex

About the Program

B.Tech. program at APEX is approved by All India Council for Technical Education (AICTE), New Delhi and is affiliated to Biju Patnaik University of Technology, Orissa.

Admission Procedure

Admission to APEX is strictly through merit for rank holders of AIEEE, Orissa JEE and Outside State Category. The admission is through E-Counseling conducted by Govt. of Orissa. For more details visit www.odishajee.com

Laboratories

APEX has state-of-art laboratories like: Language Lab, Digital Logic Lab., Electronics Workshop, Mechanical Workshop, Electronics Devices & Circuit Lab., Physics Lab., Chemistry Lab., Communication System Lab., VLSI Lab., Computer Network Lab., Robotics & CNC Lab., and Digital Signal Processing Lab.

Salient Features

- Founded by Technocrats from IITs and US Universities
- Best Campus Location in Orissa, Only 15 mins. Drive from Bhubaneswar and Cuttack (on Bhubaneswar- Cuttack NH 5)
- Initial Learning Program partner of Tata Consultancy services (TCS) in Orissa.
- Experienced faculty members are from top Indian and foreign Universities
- Special courses for personality and communication skills development.
- Well Equipped library with more than 15000 books.
- Video conferencing link to top Institute and Industries.
- 20 National and 15 International Journals in the library
- Digital Library with Networked PCs, Multimedia facilities with Internet Facility
- More than 300 numbers of core 2 duo workstations running on Linux, Unix and Windows
- Wi-Fi Campus with 24/7 leased line based 10 Mbps internet services
- Network based educational ERP software for all administrative, accounting and academics purpose.
- Interested students of 1st year provided with Laptops with 4 years maintenance warranty
- Strong linkage with Industry, academics Institute/Universities and research centre
- Experienced and dedicated placement team for Pre-placement Training and final placement
- Teaching Assistantships, Economic Hardship and Book Bank facilities for Meritorious Students

Summer Course at APEX

Apart from regular course curriculum, APEX also provides employment oriented customized courses in different fields like:

- VLSI Design
- Certification Course on JAVA & J2EE
- Embedded System
- Industrial Automation
- Certification Course in CCNA
- Certification Course in ORACLE
- Software Design & Testing using Rational Rose
- Spoken English

Special Courses For MBA Students

- SAP Functional and SAP BI
- NSE Certified Capital Market Professional (NCCMP)

MBA@Apex

About the Program

MBA (Master of Business Administration) program at APEX is approved by All India Council for Technical Education (AICTE), New Delhi and affiliated to Biju Patnaik University of Technology, Orissa.

Management education at APEX is not merely about creating a group of managers making decisions about an organization. We view modern business and management practices as a stream, which is conducted in an environment of increasing global competition subjected to rapid changes. The pedagogy provides the students a thorough understanding of the core business issues, whilst at the same time providing sufficient latitude to allow them to specialize in particular areas relevant to current business scenario. The pedagogy involves report writing, critical analysis, independent research, working with real life case studies, presentation. These will help the students to take a full, active and responsible role within the business.

Quality at APEX

Quality is the culture at APEX, Quality education at APEX is built on sound academic foundations. The quality of courses is maintained through transparent process, online feedback system, continuous review and enhancement process. All programs at APEX include training and transferable skills such as IT, Communication Skills, Life Skills, Group Work, Leadership Skills and Problem solving skills.

Management fest

A management fest 'PARYALOCHANA' was held at the college premises on 5th March - 2011. Students participated in Business Quiz and Debate.

Student Activities

Online Examinations

For the first time in the history of BPUT examinations, Apex joined the ranks of leading engineering colleges of Orissa in conducting its internal examinations completely online using the Wi-Fi intranet facility.

NPTEL Courses for all Apexians

The students avail of all the courses by top professors of IITs and IISc through web and video based courses. This is the first time any Institute of Orissa is using NPTEL content. These courses which are of 40 hours duration are used as supplementary material in addition to the lectures by APEX faculty. These courses put our students in the same league as leading technical Institutes of India.

Parasailing

About 75 students of Apex took to the skies on 1st May, 2011 to get a taste of what birds see from up there. The parasailing event from the Apex Adventure Club was memorable – an unbelievable flight by our Principal, Prof Ramesh Das

Zephyr 2010

The annual cultural event of Apex, ZEPHYR-2010 was celebrated with full masti, magic and masala on 26th March, 2011. The event of one full day consisted of Quizzes, Dumb Charade, Songs, Dances, (Classical/Modern) and a variety of plays and skits, topped by a Fashion Show followed by an extravagant Fireworks display.

Orissa Chemical Society: 24th Annual Conference

APEX has the pride to host the 24th annual conference of Orissa Chemical Society on 25th and 26th of December 2010. Prof. Amaranath Maitra was the chief guest for the occasion. Eminent professors from different IITs, NITs and from different fields of chemistry deliberated different angle of education and research.

Workshop on Renewable Energy

Renewable Energy Club of APEX organised workshop on Renewable Energy on 12th March. Where students who are enthusiastic got a platform to showcase their talent through different models and to present Papers on importance of Renewable energy. The program was inaugurated by Prof. V Jaya shankar from IIT Madras

Workshop on Robotics

APEX Robotics Club organised the "Workshop on Robotics", through which students experienced hands on design and modelling of robots. The robotic competition was the eye catching event in the workshop.

Himalayan Trekking:

Students of Apex Institute of Technology & Management participated in the gruelling Himalayan Trekking (Cycling) from June 3-17, 2010. The students also got a taste of real adrenaline pumping adventure in the river crossing and rafting. The program was in collaboration with the YMCA in the upper Himalalyan region of Kulu-Manali.

Asim Abinash Memorial Engineers Cup 2011:

The cricket team of Apex participated in the Inter College Asim Memorial Cup 2011 held at Berhampur Stadium on March 10-13, 2011. The team won applause and a trophy for its performance and team spirit. The Apex team has won Runners-up trophy in BPUT Cricket Tournament.
